

Product name: ENDORFY Solum Streaming
Product code: EY1B004

The ENDORFY Solum Streaming is a microphone for, well, streaming. With sound so impressively [juicy](#), you might just need an apron. Your audience will feel like you're sitting right next to them from the very first "Hello" and background noise won't be a problem anymore thanks to its cardioid characteristic. With the mute button on the top, you're always in control.

The ENDORFY Solum Streaming arrives with a stable ~~arm~~ [mount](#) with the cable hidden inside — frees up space where it matters most to help you keep your setup tidy. It also has a mesh pop-filter to fight against explosive consonants, its installation quick and easy. And third, an anti-shock mount — to further protect the cleanliness of your audio from the vibrations carried through the desk.

All in one take

When you have a lot to say, you understandably spend a significant chunk of your life recording. And with a schedule so packed, there's no time for multiple takes — so you need ~~assistant~~ [equipment](#) that'll deliver a high-quality sound. The Solum Streaming is your safe bet.

That's thanks to the [cardioid](#) characteristic — it picks up sound only in the front of the microphone. Additional clarity points are added through the included pop filter, an external panel of mesh that blocks the "explosive" consonants such as "p" and "b". We also added an anti-shock mount that helps isolate the microphone from the vibrations carried through the desk whenever you slap it in anger.

Long arm of the ~~law~~ mic

If you like to keep things tidy (or work on a desktop the size of a board game), you'll appreciate any tricks that save up space. Such is the long arm of the ~~law~~ [Solum Streaming](#) — it takes the mic off the desk, leaving room for more important things.

The Solum Streaming's arm had a long reach (90 cm) and three joints for easy adjustability, allowing you to position your mic where it suits you best. Oh, and we hid the cable inside of the arm already too, so you don't have to. You're welcome!

Silence on set!

Don't let the noisy neighbors ruin your stream ever again and keep your private conversations private. You know first-hand that the slightest noise can spoil any recording — but now, the Solum Streaming has your back.

Simply use the [built-in](#) mute button. The red backlight will let you know when you're off-air.

Our designers deliberately placed the mute button at the bottom of the microphone, so you won't accidentally scratch or brush against the mic and startle your audience. Besides, it's the place you [intuitively](#) reach for in an emergency (rather than the top of the mic) — we tested it ourselves.

Plug & play talk

Setting up the Solum Streaming is not rocket science. The microphone comes with [everything](#) you need already included — mount it, plug it into your computer and you're good to go. Enjoy the new, superior quality of your audio!

Connect the microphone within seconds with the included [USB-A](#) cable — hidden inside the arm for your convenience. The Solum Streaming is compatible with the most popular operating systems: Windows, macOS, and Linux.

ENDORFY Solum Streaming – main features:

- Mute button
- High-end shock mount
- Adjustable pivots with USB cable threaded into frame
- Adjustable and rotatable desk mounting clamp
- USB Plug&Play

ENDORFY Solum Streaming – technical specifications:

- Product code: EY1B004
- EAN: 5903018665146
- Product type: microphone
- Color: black
- Dimensions: 152×42.7×48 mm
- Microphone type: condenser
- Directivity: cardioid
- Bit depth: 16 bit
- Sampling rate: 48 kHz
- Frequency range: 18–21 000 Hz
- Pop filter: external
- Mount type: adjustable arm
 - Desktop mount: C-clamp, max. 46 mm desktop thickness
 - Horizontal reach: 74 cm
 - Vertical reach: 74 cm
- Shock mount: yes
- Mute button: yes (touch)
- Connectivity:
 - USB-A, cable length: 2.9 m
- Compatibility:
 - Windows
 - macOS
 - Linux
- Warranty: 24 months

ENDORFY Solum Streaming – logistics data:

- Retail box dimensions: 404×115×282 mm
- Weight (net): 1265 g
- Weight (gross): 2235 g
- Master carton dimensions: 580×415×250 mm
- Master carton weight (gross): 9.8 kg
- Product quantity in master carton: 4 pcs

Set includes:

- 1 × Solum Streaming microphone
- 1 × Streaming Boom Arm
- 1 × Shock mount
- 1 × Pop filter
- 1 × User and safety manual
