

Product name: ENDORFY Signum 300 Core
Product code: EY2A004

Your hand-picked components deserve a “home sweet home” – with the Signum 300 Core you can create an airy and good-looking environment for your PC to perform to the best of its abilities. It'll keep your rig [pleasantly](#) cool while allowing you to peek inside to admire its beauty.

The Signum 300 Core easily accommodates as many as 4 2.5” disks (or 2× 2.5” and 2× 3.5”), a 325 mm long GPU, and up to 8 fans. Two Stratus 120 PWM fans are already included – consider it a welcome gift!

Hurricane season

Thanks to the Signum 300 Core, you won't have to worry about your system overheating. We'll kickstart your frosty journey with two pre-installed Stratus 120 PWM fans. Low temperatures FTW!

Developed in collaboration with Synergy Cooling, the Stratus 120 PWM fans are one of our favorites. These quiet heroes run on robust fluid dynamic bearings, and through a PWM signal you can slow them down to as little as 200 RPM. Cakewalk!

Done [and dusted](#)

Keep it clean to keep the air flowing! We've all seen pictures of PC insides covered in dust, and it gives us nightmares still. To make maintenance easier, the Signum 300 Core comes with a set of removable, magnetic filters.

Filters are held in place securely with magnetic strips and can be detached easily whenever necessary. Each one can be wiped down with a cloth, vacuumed, or washed in the sink. That makes further protecting your PC from dust, dirt, and grime a no-brainer.

Showtime

The lights are on and everyone's home! The Signum 300 Core has nothing to hide. With a side of tempered glass, it gives you a good view of your prized build. And it looks awesome, too!

Fits [like a glove](#)

Behind every won match and every published vlog is your hardware. A lot of good, reliable hardware. And it needs a cozy home — that's where the Signum 300 Core comes into play with its roomy interior.

Built to please, the case can fit a lot and comes with all the tools and screws necessary. It's compatible with liquid cooling systems — up to 240 mm on the top and 240/360 mm on the front of the case. You can also squeeze in a 161 mm tall air cooler, a GPU up to 325 mm long, and as many as 4 disks (either 4× 2.5” or 2× 2.5” and 2× 3.5”). You do you!

ENDORFY Signum 300 Core – main features:

- Mesh front panel
- Tempered glass side
- 8 fan mounts

- Removable dust filters
- Wide cooling compatibility
- Convenient cable management

ENDORFY Signum 300 Core – technical specifications:

- Product code: EY2A004
- EAN: 5903018666235
- Product type: PC case
- Color: black
- Dimensions (H×W×L): 447×216×413 mm
- Motherboard form factor: ATX, microATX, ITX
- Graphics card clearance (GPU): 325 mm (up to 350 mm)
- CPU cooler clearance: 161 mm
- Power supply clearance: ATX up to 180 mm
- Expansion slots: 8
- Number of bays:
 - internal:
 - 2× 2,5"/3,5"
 - 2× 2,5"
- Cooling system:
 - Maximum number of fans: 8
 - Number of fans included: 2
 - Front: 1× Stratus 120 PWM fan (200–1400 rpm)
 - Rear: 1× Stratus 120 PWM fan (200–1400 rpm)
- Radiator compatibility:
 - Front: 1× 120, 240, 360 mm
 - Top: 1× 120, 240 mm
 - Rear: 1× 120 mm
- Dust filters:
 - Front: magnetic
 - Top: magnetic
 - Bottom: magnetic
- Front I/O:
 - 2× USB-A,
 - 1× Headphones (HD Audio)
 - 1× Microphone (HD Audio)
 - 1× POWER button
 - 1× RESET/LED button
- Warranty: 36 months

ENDORFY Signum 300 Core – logistics data:

- Retail box dimensions: 480×265×472 mm
- Weight (net): 4.8 kg
- Weight (gross): 5.7 kg

Set includes:

- 1× ENDORFY Signum 300 Core case
- 2× Stratus 120 PWM fan
- 1× Installation accessories
- 1× User and safety manual
