

Product name: ENDORFY Crystal Spectrum XL
Product code: EY6B012

Water-resistant fabric with a multicolor, crystal-like graphic pattern, detailed hem with a print, and a non-slip underside – everything you need for a high-quality mousepad designed for precise and dynamic movements. ENDORFY Crystal Spectrum XL pad brings a touch of style to your desk.

Mosaic under your mouse

If you're looking to add some flair to your workspace, the ENDORFY Crystal series is just what you need. The colorful variant, ENDORFY Crystal Spectrum XL, offers a fresh look. The chromatic pattern, printed on fabric that works seamlessly with either optical or laser sensors, resembles a crystal and elevates the aesthetics of your desk. Its extra-large size of 900×400 mm gives you lots of space for wide mouse movements.

Extra hem

We've also gone the extra mile with the edges of ENDORFY Crystal Spectrum XL. The colored hem not only complements the printed design but also ensures durability, preventing fraying as you might see with basic pads that lack reinforced edges.

Always steady on the desk

Even during fast-paced gaming or work sessions, ENDORFY Crystal Spectrum XL stays firmly in place. The high-quality black rubber layer on the underside keeps the pad stable, ensuring your mouse movements are always precise.

Damp-proof

Sweaty hands on a hot day? Some condensation on your mug? No problem – ENDORFY Crystal Spectrum XL is moisture-resistant, so you don't have to worry about its durability.

ENDORFY Crystal Spectrum XL – main features:

- Printed pattern surface
- Printed hem
- Non-slip rubber underside
- Moisture resistance

ENDORFY Crystal Spectrum XL – technical specifications:

- Product code: EY6B012
- EAN: 5903018667881
- Product type: mousepad
- Color: multi-colored
- Dimensions: 900×400×3 mm (L×W×H)
- Material (top):
 - Type: fabric
