

Product name: Supremo FM5 HPWR cable

Product code: EY0P001

Dedicated for ENDORFY Supremo FM5 series, Supremo FM5 HPWR cable was designed to provide convenient and aesthetic connection between the GPU and the power supply with no redundant adapters. It's also long enough to be routed virtually anywhere inside your PC case.

- Dedicated solution – the cable was designed with ENDORFY Supremo FM5 series in mind. It's specifically compatible with Supremo FM5 power supplies and GPUs with 12V_HPWR or 12V_2x6 connectors.
- Suitable length for every PC case – Supremo FM5 HPWR cable is 60 cm long. It's just enough to be routed virtually anywhere inside your PC case. The included set of special clips allows for an aesthetic arrangement of the cable.
- 7 years warranty – alongside Supremo FM5 HPWR cable you get a long, 7-year manufacturer's warranty. We're just convinced of the quality of ENDORFY products.

Dedicated solution

The cable is dedicated for ENDORFY Supremo FM5 series products, offering a maximum output power of 600 W to a GPU with 12V_HPWR or 12V_2x6 connector. User manual included to ENDORFY Supremo FM5 series power supplies, combined with the guidelines printed on Supremo FM5 HPWR cable's box, constitutes a complete manual on how to use the accessory.

60 cm long

Supremo FM5 HPWR cable is 60 cm long – it's just enough to be routed virtually anywhere inside your PC case. The included set of special clips makes it easier to arrange the cable aesthetically.

7-year warranty

We're convinced of the quality of ENDORFY products. That's why Supremo FM5 HPWR cable is protected with a 7-year manufacturer's warranty.
