

**Nazwa produktu: ENDORFY Armis 100 Solid**  
**Kod produktu: EY2A015**

The compact Armis 100 Solid PC case is compatible with ATX – and smaller – motherboards. Its convenient size combined with 2.5"/3.5" bays and extra protection against unauthorized access makes our PC case a perfect office addition or a base for building personal computer.

The classic design of Armis 100 Solid incorporates a top-located PSU slot, an external 5.25" ODD bay and three fan slots – including one pre-installed Stratus 120 PWM.

**Stratus included**

Armis 100 Solid will accommodate three 120 mm-high fans, including one pre-installed Stratus 120 PWM on the rear panel. Designed in cooperation with Synergy Cooling, the powerful fan is widely appreciated for its durability and excellent performance in ENDORFY's larger PC cases.

Equipped with a robust FDB bearing, Stratus 120 PWM provides unobstructed airflow for years to come. The fan stops at a very low PWM duty cycle, letting you create an optional semi-passive mode.

**Small, but spacious**

Armis 100 Solid accommodates five 2.5" drives (with one of these slots adjustable to a 3.5" drive) and an additional 3.5" drive. There's also plenty of room for two 5.25" bays, including external one – so you can easily mount ODD or other compatible accessories.

The PC case will fit a 335 mm-long GPU as well as 165 mm-high CPU cooler. Compatibility with mATX, ITX and ATX motherboards is also a great benefit – especially for the size of Armis 100 Solid.

**Always at hand**

The PC case includes two built-in USB-A connectors, two audio minijack 3.5 mm slots for headphones (or speakers with microphone) and SD/microSD card reader. For your convenience, they are all located on the front panel of Armis 100 Solid.

**Protection against unauthorized access**

With office and industrial spaces in mind, Armis 100 Solid is equipped with additional safeguards. The security cable slot and padlock eyelet can prevent unauthorized physical access to hardware or theft.

**ENDORFY Armis 100 Solid – main features:**

- Stratus 120 PWM fan
- External 5.25" bay
- Memory card reader
- Front-facing USB connectors
- Protection against unauthorized access

**ENDORFY Armis 100 Solid – technical specifications:**

- Product code: EY2A015

- EAN: 5903018667669
- Product type: PC case
- Color: black
- Dimensions (H×W×L): 423×200×388 mm
- Motherboard form factor: ATX, microATX, Mini-ITX, FlexATX
- Graphics card clearance (GPU): 335 mm
- CPU cooler clearance: 165 mm
- Power supply clearance (PSU): 160 mm
- Expansion slots: 7
- Number of bays:
  - internal:
    - 4× 2.5"
    - 1× 2.5" / 3.5"
    - 1× 3.5"
    - 1× 5.25"
  - external:
    - 1× 5.25"
- Cooling system:
  - Maximum number of fans: 3
  - Number of fans included: 1
    - Rear: 1× Stratus 120 PWM fan
- Radiator compatibility:
  - Front: 1× 120, 240 mm
  - Rear: 1× 120 mm
- Dust filters:
  - Front: mesh
- Front I/O:
  - 2× USB-A 3.2 Gen. 1
  - 1× headphones (minijack 3.5 mm)
  - 1× microphone (minijack 3.5 mm)
  - 1× SD/microSD card reader
  - 1× POWER button
  - 1× RESET button
- Warranty: 36 months

**ENDORFY Armis 100 Solid – logistics data:**

- Retail box dimensions: 455×225×422 mm
- Weight (net): 2.85 kg
- Weight (gross): 3.59 kg

**Set includes:**

- 1× ENDORFY Armis 100 Solid case
- 1× Stratus 120 PWM fan
- 1× Installation accessories
- 1× User and safety manual
