

Product name: ENDORFY Thock TKL Pudding Brown
Product code: EY5A005

There are two main reasons why we created the ENDORFY Thock TKL Pudding Brown. First, we want you to enjoy the freedom of portable but reliable hardware. Second – we like things so beautiful they make your friends mad.

The result of our tireless efforts is the small mechanical keyboard you see in front of you. It's a full package: gorgeous Pudding PBT keycaps made extra sweet [durable](#) with the Double Shot technology. Underneath, snug like a bug in a rug, lie 87 Kailh Brown switches. A no-brainer if you click a lot but want a relatively quiet mechanical keyboard.

Itty bitty beauty

Turns out you can eat a cake and have it too – the tiny Thock TKL Pudding Brown manages to be both tough as nails and camera-ready at the same time.

We packed all the goods into this small but beautiful tournament chassis, so it can fit without issues even on modestly sized desks where bulky keyboards are doomed to fail. It'll even leave some space for your gadgets.

To make all of that happen, we ditched the numpad [entirely](#). The Thock TKL Pudding Brown is small and ready for "Action!".

Illuminated Pudding ~~boxes~~ [keycaps](#)

They're what we like the most about the Thock TKL Pudding Brown. Regular keycaps don't even stand a chance against illuminated [Puddings](#). With a single click, you can make them match your mood, your office's aesthetic, or the game you're currently playing.

It's all thanks to the special technique we used to bring these two-colored keycaps to life – Double Shot. During that process, two separate layers of heavy-duty PBT polymer are injected into the mold. The rigid top keeps the keycaps from wearing out and the milky white bottom (where the name comes from) shines with bright ARGB light.

Kailh [Brown](#) switches

There's no need to AFK because with "tactile" switches every task is a [breeze](#). With Kailh Brown at your disposal you'll lose track of time – but still crave more at the end of the day.

Kailh Brown are tactile switches, made for situations that require smooth and subtle movements. They're also durable, with an estimated lifespan of as many as 50 m clicks (and thanks to the N-Key Rollover, each and every click is recorded and executed, period).

And as a bonus, the keyboard is quite... quiet. We're sure it'll find many fans among night owls (and their grateful roommates).

Lightweight champion

The Thock TKL Pudding Brown is a true lightweight champion – it weighs little but packs a nasty punch.

We tested its durability on our daily trips to the office and while running errands around town. Now we can confidently present you with a keyboard that'll handle your [fast-paced](#) lifestyle with ease. And still look like new too.

Its chassis reinforced with an [aluminium](#) top is rigid and damage-resistant – ready to withstand the toughest conditions. It firmly holds the desk, so it doesn't move around even when you're gaming or working for hours on end. It looks the part too – engraved patterns on the bottom and the ARGB backlight give it a fierce edge.

My name is RGB. ARGB

Let's face it – keyboards without a backlight are fine. But if you like the darkness of the night, want to stand out from the crowd, or impress your followers, then ARGB is a [must-have](#).

Customize the look of the Thock TKL Pudding Brown to complete the battle station of your dreams. Highlight each of the 87 keys in a different color, differentiate the core keys with a separate hue or set a single effect across the board. You can do this with the help of the included software or directly from the keyboard – without installing anything.

Perhaps some will say it's unnecessary and a gizmo (you can always disable it entirely)... but if you like to play with the look of your setup every now and then, the ARGB backlighting is the thing for you.

Adjustable angles

To make clicking even more comfortable, we equipped the Thock TKL Pudding Brown with two-step adjustable feet. With them, you can place the keyboard at an angle that best suits your needs.

Cable management made easier

The Thock TKL Pudding Brown keyboard chassis allows you to route the cable in three different ways, helping you make better use of your desk space.

It's possible thanks to a detachable cable and three custom-made channels on the bottom of the keyboard, allowing you to arrange the cable conveniently – for example, closer to the grommets or at the edge of the table.

Everything under control

Do you like to have everything under control? We thought of that – and equipped the Thock TKL Pudding Brown with functional and feature-packed [software](#).

We fondly refer to it as "God mode". With its help, you'll adjust all keyboard settings to your needs – whether it's changing the ARGB backlight and its color, customizing the effects, or creating new profiles. If you want, you can even create your own macros.

ENDORFY Thock TKL Pudding Brown – main features:

- TKL mechanical keyboard
- Modern design
- Configurable RGB backlighting

- High durability
- Kailh Brown mechanical switches
- Durable PBT Pudding keycaps
- Detachable cable
- Two-step feet
- N-Key Rollover function
- Functional software

ENDORFY Thock TKL Pudding Brown – technical specifications:

- Product code: EY5A005
- EAN: 5903018665559
- Product type: keyboard
- Type of keyboard: mechanical
- Color: black
- Dimensions: 361.5×140×42.5 mm (L×W×H)
- Number of keys: 87
- Switch type: Kailh Brown RGB
- Switch color: brown
- Hot-swap: no
- Keycap material: PBT
- Keycap manufacturing technology: double shot
- Keycap color: milky-black (pudding)
- Backlight type: RGB
- Connectivity:
 - Gold-plated USB, cable length: 1.8 m
- Keyboard specific features:
 - N-Key Rollover: full
 - Anti-ghosting: full
 - Programmable macros: yes
- Compatibility:
 - Windows
 - macOS
 - Linux
- Software: yes
- Software compatibility: Windows 10
- Warranty: 24 months

ENDORFY Thock TKL Pudding Brown – logistics data:

- Retail box dimensions: 400×189×49 mm
- Weight (net): 880 g (±10)
- Weight (gross): 1215 g
- Master carton dimensions: 420×270×400 mm
- Master carton weight (gross): 12.8 kg
- Product quantity in master carton: 10 pcs

Set includes:

- Thock TKL Pudding Brown keyboard
- Detachable USB-C cable
- Keycap removal tool
- Safety instruction
